TOWNSHIP PARTNERS TO HOST FINANCIAL WORKSHOP

Hanover Township will partner with CEDA Northwest to host monthly financial workshops. Residents experiencing financial difficulty or need to learn to balance their checkbook are encouraged to attend to learn valuable tools that will make it easier to manage their finances. Starting on June 21, the workshop will meet monthly at 9:00AM at the Township's Astor Avenue Community Center, 7431 Astor Avenue, Hanover Park.

"Programs like these are having an unfortunate need in our community," said Hanover Township Supervisor Brian P. McGuire. "I think residents will find a real value in this workshop."

For more information, please contact the Hanover Township Astor Avenue Community Center at 630-540-9085.
