TOWNSHIP PRESENTS PRINCIPAL OF THE YEAR AWARD

The Hanover Township Committee on Youth presented Denise Lockwald with the 2011 Hanover Township Principal of the Year Award at a reception yesterday in her honor. Lockwald, Principal at Sunnydale Elementary in Streamwood, received the award with over 70 friends, family members, officials and teachers present at the Township senior center.

“I was overwhelmed by the number of nominations we received for this years’ award,” said John Parquette, Hanover Township Youth & Family Services Director. “More times than not, Principals are not publically recognized for their hard work, dedication, and skill in promoting academic excellence and fostering the positive development of our Township youth, all of which Principal Lockwald exemplifies.”

During the program, teachers and staff of Sunnydale presented a slideshow of photos of Principal Lockwald throughout her time at the school.

School District U-46 Superintendent José Torres spoke during the program to congratulate Lockwald and praise her for her work and leadership at Sunnydale.
