TOWNSHIP AND PARK DISTRICT PARTNER TO OFFER WELLNES SCREENINGS

Hanover Township and the Streamwood Park District have teamed together to offer free health and wellness screenings to seniors 65 and older. Passport to Wellness will take place on Tuesday, May 10 at the Streamwood Park Place Family Recreational Center; 550 S Park Blvd. Participants may come any time between 9:30 AM and 1:00PM to receive a “Passport” that they will take to over 30 different screenings.

“Attendees will have fun while they find out where they stand on a number of key wellness areas- physical, financial, the five senses and more,” said Hanover Township Senior Services Director, Barbara Kurth Schuldt.

Screenings include cholesterol, diabetes, body mass index and much more. Once a participant has visited all of the stations, they will receive a free consultation with a health professional from Hanover Township’s Office of Community Health.

For more information, please call Hanover Township Senior Services at 630-483-5600.
