**TOWNSHIP TUTORING PROGRAM TO START AGAIN**

Starting on February 28 and running through May 17, Hanover Township residents in grades 2-12 are eligible for affordable tutoring for weekly, one hour sessions during the school year.

Certified primary and secondary education teachers who specialize in assisting students with homework comprehension and completion, will work with small groups of students based on age, subject matter, and learning needs identified by referring teachers.

Students who attend regularly and bring their school materials/assignments to each session, improve in academic performance and become more self-confident. Parents also have the option of attending a free seminar that will offer useful tips and skills to use at home that will help your child or teen succeed.

For a tutoring application, please visit our website at [www.hanover-township.org](http://www.hanover-township.org), click on Youth and Family Services under the Departments tab. Tutoring is offered on Tuesday or Thursday evenings at the Streamwood High School, Sabre Center, 701 W. Schaumburg Road, Streamwood, IL 60107. Starting in February 2012, English as a Second Language/Spanish Tutoring Services for elementary students will be offered at our Elgin Office, One American Way, Elgin. The fee is \$45.00 per child, per semester. Payment plans are available.
