TOWNSHIP TO HOST ALZHEIMER'S WORKSHOP

On November 17, Hanover Township Senior Services will host a presentation, "Knowing the 10 Signs of Alzheimer's Disease" conducted by the Alzheimer's Association at the Hanover Township Senior Center, 240 S. Route 59 in Bartlett.

From 10:30 – 11:30AM, this informative program will focus on the 10 warning signs of serious memory loss. It includes a basic overview of Alzheimer's disease and covers risk factors, diagnosis, and the benefits of early detection. Through the use of video footage, attendees will witness people living with memory loss as they address the fears and myths associated with dementia, and hear from the family members who are on the journey with them. Registration is required to attend this program as space is limited.
