

Handyman Suggestion Form

The Social Services Division is creating a Handyman Directory based on the compilation of referrals from the community on handyman projects that were completed in a satisfactory manner. The referrals collected from the community are continuously being updated to be shared with residents requesting a reliable referral used by others.

We thank you in advance for taking the time to complete the Handyman Suggestion Form. Please complete and return to Social Services. Contact 630-483-5600 if you have any additional questions.
