

Why is this program important?

Hanover Township Senior Services currently operates a Dial-a-Bus program that provides transportation to residents, making over 1000 one-way trips each month. There is currently an unmet need of over 30 rides a month due to out of boundary service requests or timing restraints.

In order to better meet the need of Township residents, the Volunteer Express was implemented in March 2011.

The goal of the Volunteer Express program is to provide safe and reliable transportation for riders over the age of 55 and for persons with disabilities over the age of 18.

Volunteer Express is intended for riders who would otherwise not be able to attend their appointments or social engagements.

Volunteer Express is a supplemental program to our Dial-a-Bus transportation service.
