Mr. James Barr  
Hanover Township  
250 S. Route 59  
Bartlett, IL 60103

Dear Mr. Barr,

On behalf of the Streamwood Park District I wanted to express our sincerest appreciation for the service the Hanover Township Emergency Management Agency provided for the Streamwood Stride. The Streamwood Stride had a record number of runners this year and having the EMA team helped facilitate a very successful event.

Bob Paige and his team were available at all major intersections to ensure the safety of our runners. They did an amazing job with traffic control and provided a lead vehicle for the runners to follow. By having the EMA team control the streets it allowed the Streamwood Police to respond to in progress calls. Without the EMA our police department would have been in a bind with in progress calls and security of Stride runners.

While preparing for the race, Mr. Paige and I talked on two occasions. I give him the specifics of what I needed and he took care of everything else, far exceeding my expectations. The entire interaction with Bob and his team could not have worked out any better. In fact, I told Bob he did such a good job I wanted to put in a reservation for his services at the Stride in 2011. I really appreciate everything the EMA team provided, and look forward to working with them in the future.

Thank you,

Kurt Reckamp  
Assistant Superintendent of Recreation  
Streamwood Park District
