

Non-Resident Participants

Non-Resident Participants:

Thank you for your interest in Hanover Township Senior Services. We recognize that your support of our programs contributes to our ongoing success.

A resolution approving an annual user fee of \$25 for each senior citizen who is not a resident of Hanover Township and wishes to participate in paid programs was adopted by the Township Board.

If you choose to participate in paid programs, including drop in exercise classes, please remit the annual user fee of \$25. For a little over \$2.00 per month, we encourage you to become part of our senior community. Please do not hesitate to give us a call if you have any questions.
