Workshop: Fiscal Year 2021 Annual Mental Health Board Funding Hearings:

A. Hanover Township Senior Center: Tracey Colagrossi presented the FY 21 Service Contract Application for the Home Delivered Meals Program. She explained that the increase in the request is due to an increase of demand. Currently, the funding provides for a counselor 3 days a week and the request would accommodate an additional day. It would also provide funding for some group sessions to decrease wait list time.

B. Community Crisis Center of Elgin: Lisa Winchel presented the FY 21 Service Contract Application for the Domestic Violence Shelter Program. She also introduced the board to the newly named Executive Director of the Community Crisis Center, LaTonya Walker. She explained that although if the funding is awarded it would be an increase, it is the same amount the Community Crisis Center requested in the past.

C. PADS of Elgin: Sarah Ponitz presented the FY21 Service Contract and explained that this year, PADS of Elgin is requesting $25,000 more because of the expansion of their Day Program. PADS of Elgin is now providing case management, an additional meal, and is open additional hours. The additional money would be used to fund this expansion.
D. Gigi’s Playhouse: Kat Yelle of Gigi’s Playhouse presented about a new program that they are seeking funding for, Community Engagement. Ms. Yelle explained that Gigi’s Playhouse has identified a need among adults with Down Syndrome for recreational activities that take place in the community. E. Boys & Girls Club: Cathy Russell of the Boys & Girls Club presented on the FY 21 Service Contract and the increase in requested funding. Ms. Russell explained the expansion of services into Hanover Township has been great and they are serving more Township residents than ever. She also talked about two new programs they are hoping to kick off in the next year. Increased funding would go to those programs and Township residents.

F. Kenneth Young Center: Ms. Peyton and Ms. Springer represented Kenneth Young Center and the request increase of $30,468. Ms. Peyton explained the reason for increase is because Kenneth Young Center has been the recipient of a grant that is federally funded and nearing the end. The increased request would cover the program for another year. The program also serves Hanover Township residents that attend Tefft Middle School and Bartlett High School. Ms. Cruthers asked why up to this point Kenneth Young Center has not submitted Purchase of Service Reports for their current funding. Ms. Springer explained that Kenneth Young Center has new leadership and that once that was brought to her attention, she pushed the development person to submit the reports.

G. Leyden Share Program: Bruce Sewick presented the FY 21 Service Contract and addressed the increase of $10,000 in funding.
